LUGGAGE CHECK

The safety and security of your camper is of utmost importance to us. With this in mind we have implemented a baggage search policy for Youth Camps. All camper luggage will be searched for weapons, alcohol, drugs, and illegal substances. Trained individuals will search all bags. Male inspectors will inspect male luggage, and female inspectors will search female luggage. Any such items will be handled appropriately. Parents and youth leaders will be included in this process. Thank you for your cooperation and understanding. If you have any questions or concerns regarding this, please email us at **safety@wol.org**.
